SIMULCAST SALES AGREEMENT

By signing this agreement, I acknowledge that any actions taken and purchases made under my username and password are my responsibility. I hereby agree that my username and password will be used by no other persons, for any reason. I also agree to have only one username and password.

All internet purchases made off-site must be paid for no later than the Wednesday following the Auction at noon via wire transfer or expedited preapproved dealer check or cashiers check. For new customers a bank statement verifying funds must be faxed or emailed prior to sale time. Payments received after Wednesday will incur a $95.00 late fee per purchase. Existing check status customers doing business with the Auction frequently must overnight a check for the full amount no later than the Wednesday following the Auction, otherwise a $95.00 late fee applies for each purchase. AFC floor planning is preferred and there is no handling fee that applies. Non-AFC floor planning may be accepted; however, it is the customer's responsibility to make sure that the Auction accepts a specific floor plan. Floor plan companies must have payment here by the Wednesday following the Auction.

In addition to the regular buyer's fee of $250.00 + 10% there will be a $100.00 internet convenience fee charged per car purchased online.

Every vehicle sold at the 422 Auction is sold on the red light and is sold "AS – IS WHERE – IS". The buyer is responsible for all the repairs the vehicle may need.

Floor bidders will have preference in the case of a tie. The 422 Auction is not responsible for the loss of connection or equipment failure that leads to a potential bidder not being able to participate in the Simulcast event.

Condition reports may be provided as a convenience and in many cases, a product of one individual's opinions. Auction will not be responsible for errors. Decision of the Auction will be final in all disputes.

Making transportation arrangements is the responsibility of the buyer.
